Cabernet Sauvignon  
Bourbon Barrel Aged

Winemaker Scot Dahlstrom approaches his craft with passion and imagination. For Scot, winemaking is an art, requiring time, love, sweat, skill, and a bit of luck.

Every growing season and harvest creates its own twists and turns. Regardless of the variables, Scot develops magnificent wines. This Cabernet Sauvignon is aged in Bourbon Barrels, giving it distinctive aromas of tobacco and toasted vanilla leading to flavors of dark cherry and black pepper, and finishing with smooth, satisfying tannins.
